

# MAKING LIGONIEL A BETTER PLACE

# Life Buoy

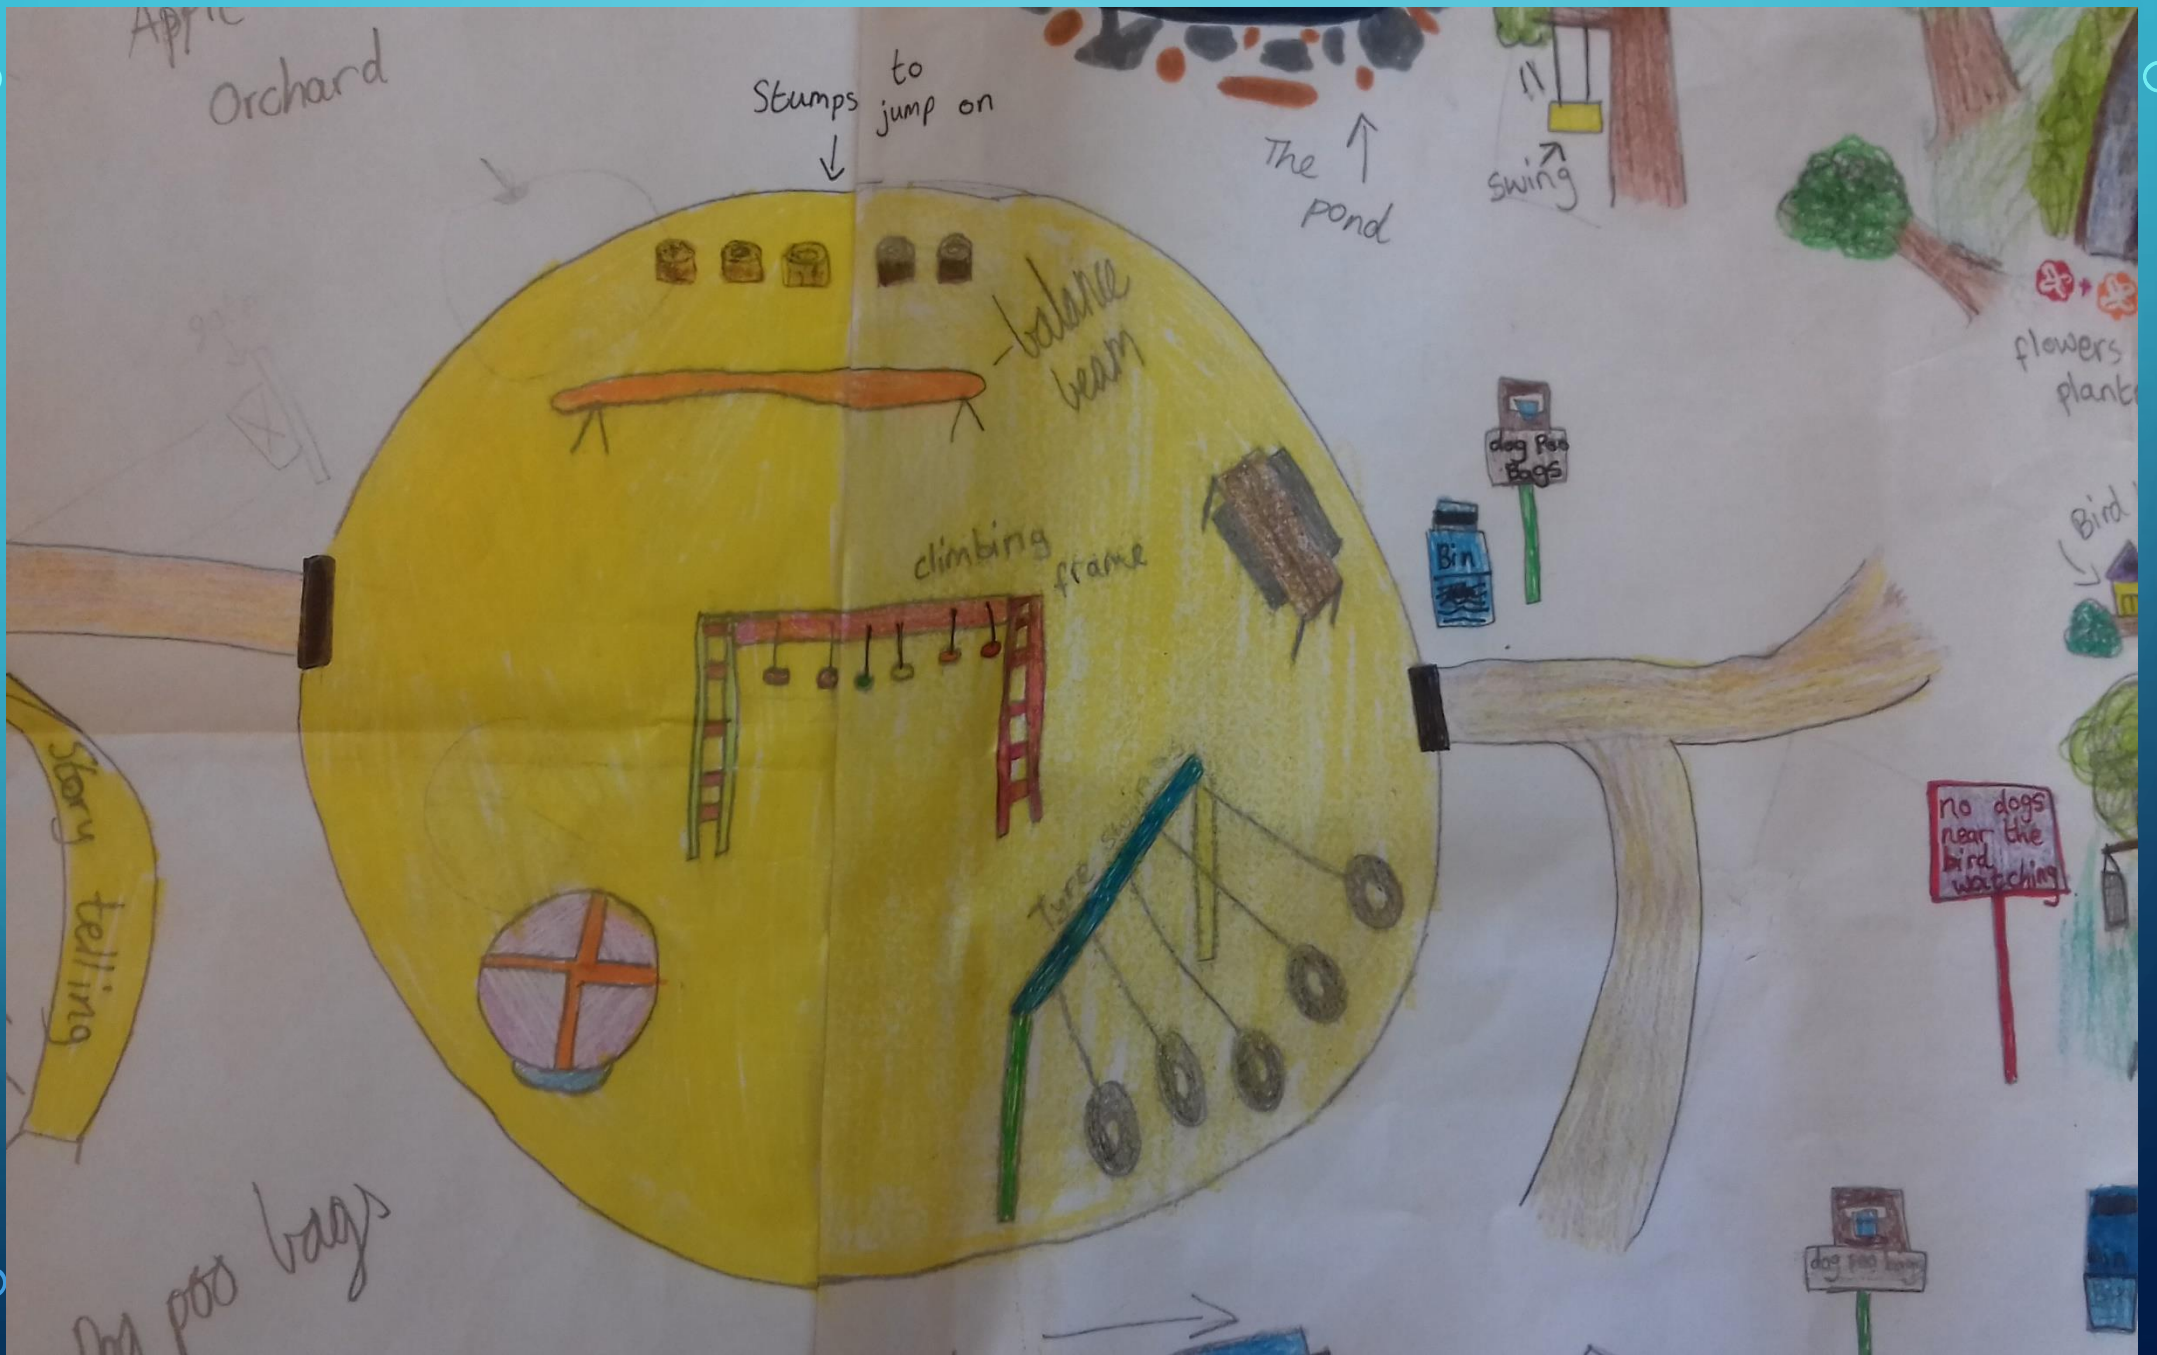

- **There should be a life Buoy incase of an accident**
- **A Life Buoy could save someone's life**

# Trimming Grass

Trimming the grass will allow more space for children to run around.

# More Bins

- **More bins are needed to keep the Dam clean.**
- **We also need dog bins to get rid of dog waste.**

# Activity Area

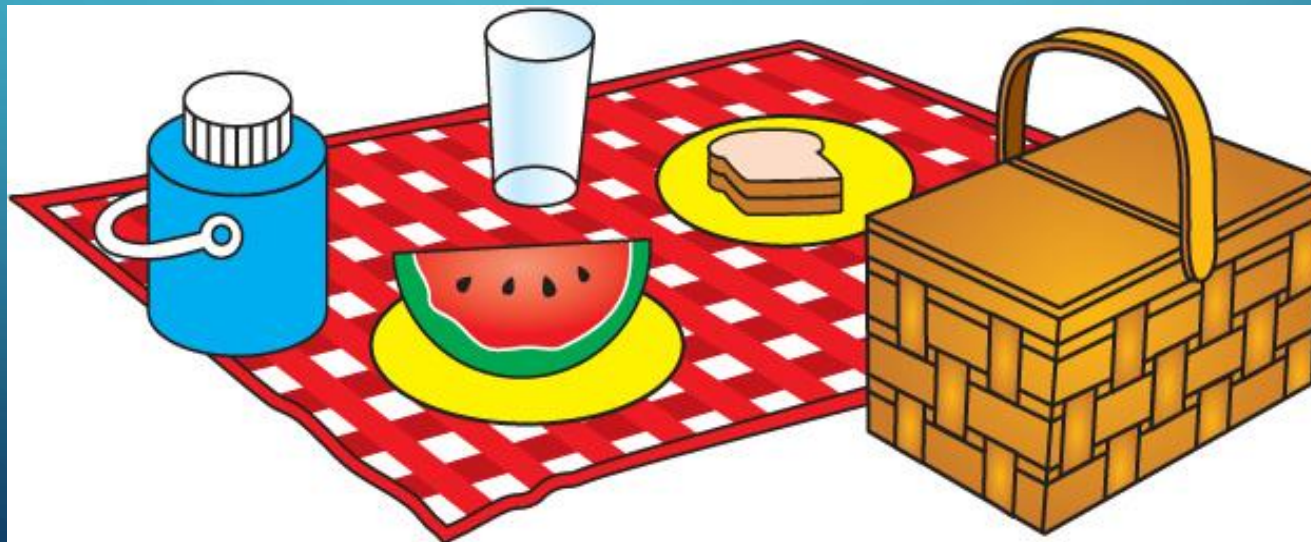

Having an activity area will encourage young families to get outdoors and enjoy the local area.

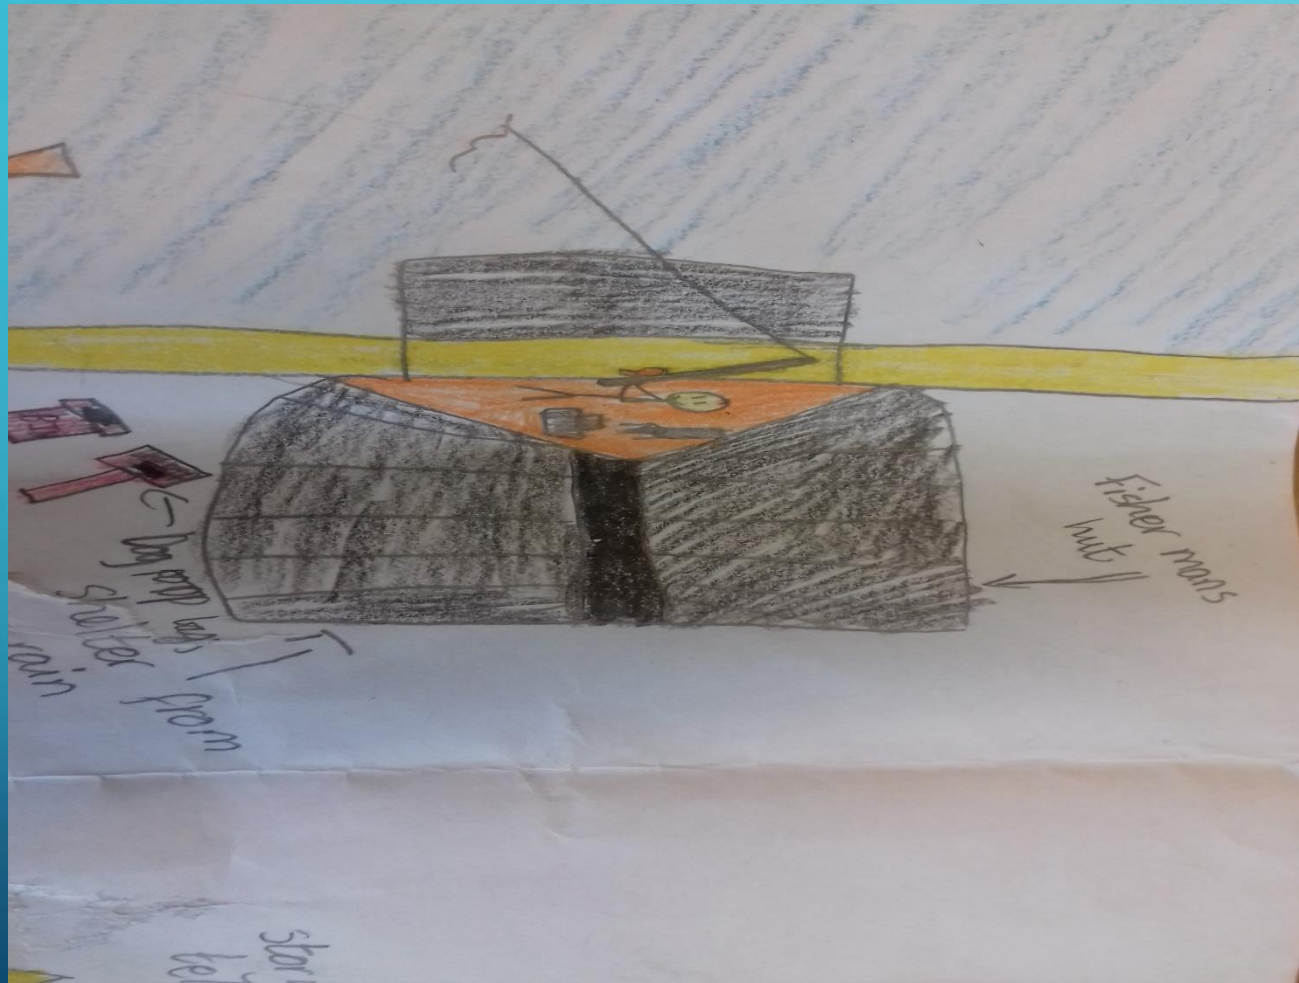

# Picnic Area

**A picnic area will attract more families to the area during the good weather.**

The Fisherman's hut would enable fishermen to fish during the rain. It would provide a shelter to keep dry.

# The End

Thank you for listening to our ideas we hope you enjoyed learning about where we live and sometime visit the dam.
